

Film & Digital Media

“ I enjoyed the creative freedom that came with each assignment. A freedom that was backed by some strong theoretical foundations. ”

EFIM
Cert. in Digital Media & Design (Film Prod.)

ANNICK
Bachelor of Applied Arts

“ For me, EDENZ is a family. I feel comfortable asking the tutors for help and have learnt so much faster with specialised one to one tutoring. ”

The lines are blurring between Film, 3D animation and Visual Effects. An EDENZ course in Film or Digital Media and Design is the perfect pathway into industry. With a hands on focus our courses have you learning from industry experts and connecting with those that do, as well as teach.

You'll learn the complete production process, from concept to final output. Regular guest lectures and chats with studios like Weta Digital, provide you with insight into the latest trends, encouragement to succeed, and real life critique of your work.

Courses (All FDM courses are offered with optional strands in Film Production or Digital Media)

New Zealand Certificate in Digital Media and Design*

16 Weeks

- Level 4 *pending NZQA Approval

Ideal for career-minded students this course arms students with the confidence and knowledge to make their own short films and to make an informed decision on a career path in the film and television industry.

New Zealand Diploma in Digital Media & Design

1-2 Years

- Level 5 & 6

This qualification is for people wanting to gain the specialised skills and knowledge required to work as a junior Digital Media and Design practitioner, capable of applying skills and knowledge to complex projects in specialised areas of the digital media & design industry.

Bachelor of Applied Arts (Film Production or Digital Media) - Level 7

3 Years

This qualification is designed for learners wishing to create collaborative solutions, for people in the Film or Digital Media Production disciplines.

Expanding on the basics of production, concept and final output, students will gain expertise in the skills of their major by completing a number of end to end projects to add to their portfolio.

Together with major specific papers, students study core humanites papers. These papers will give you the edge as a storyteller, help you connect and understanding your audience, and manage your projects and relationships with clients.
