HUGO
Diploma in TESOL

“ I came over from Chile to see if my English was any good, now I’m teaching others. The Diploma was so practical and trained me well. ”

Our aim is to train teachers who will excel in their industry and be an inspiration to students and colleagues alike. With a Certificate or a Diploma from EDENZ, you will gain the confidence and skills to embark on this career wherever you may choose.

Our highly-qualified and personable tutors have decades of experience in the industry and will help and guide you every step of the way. Let us help you unlock this exciting opportunity and teach the world!

Courses

New Zealand Certificate in Language Teaching - Level 4

This course has a strong emphasis on the development of specialist teaching skills through practice with classes of multi-lingual students.

You will create a set of materials for use in lessons, evaluate them, and learn how you would adapt these for other teaching scenarios, giving you the confidence to build great classes and become a confident teacher.

Trinity Moderation - Level 5

By completing a Trinity Moderation of your New Zealand Certificate in Language Teaching, your qualification can be globally recognised, broadening your employment opportunities.

Students are evaluated through a review of theory, practice, and observation developing their skills through classroom discussion, seminars, role-plays and one-on-one guidance.

Diploma in TESOL (EDENZ) - Level 7

For those who wish to build on their existing teaching skills and deepen their theoretical study of TESOL methodologies and linguistics; the Diploma in TESOL from EDENZ is an excellent choice.

Graduates will demonstrate their skills through a combination of written papers, interviews, observational and classroom teaching assessments.

New Zealand Diploma in Adult & Tertiary Teaching - Level 6

This programme is designed for teachers, already working within the tertiary sector in New Zealand, who are looking to upskill or undertake professional development.

The programme encourages interactive learning within an applied setting to promote the professional development of theory and practice.
